A WORD ABOUT THE GUARDIANSHIP PROGRAM OF DADE COUNTY

Since 1980, the Guardianship Program of Dade County has provided guardianship services to indigent adults who are adjudicated incapacitated. As the Public Guardian, we step in when there is no one willing, able or qualified to act as legal guardian, protector, and a substitute decision maker for frail and vulnerable adults, who can no longer safely care for themselves.

Over the last 29 years, we have been appointed to care for over 5,300 clients. Our program serves over 1,200 persons annually.

GPDC is funded by Miami-Dade County, Allegany Franciscan Ministries, Florida Bar Foundation, Peacock Foundation, Mills Family Foundation, and the Department of Elder Affairs.
